COMMISSIONER FOR PATENTS  
WASHINGTON, DC. 20231

**INFORMATION DISCLOSURE STATEMENT**  
**Under 37 CFR §§ 1.56 and 1.97-98**

SIR:

Attached hereto are PTO-1449 forms listing documents believed relevant to the subject application. It is respectfully requested that these documents be considered by the Examiner and an initialed copy of each form be returned to the undersigned.

According to 37 C.F.R. § 1.98(d), a copy of any patent, publication, or other information listed in an information disclosure statement is not required to be provided if it was previously cited by, or submitted to, the Office in a prior application, provided that the prior application is properly identified in the statement and relied upon for an earlier filing date under 35 U.S.C. § 120.

This application is a divisional that relies upon an earlier filing date from patent application serial no. 09/313,067, under 35 U.S.C. § 120. All of the references cited in the present application have already been cited in the parent application. Thus, Applicant believes that under 37 C.F.R. § 1.98(d), the copies of the cited references do not need to be provided herein because the Examiner can obtain the same from the parent file.

If, however, the Examiner would like separate copies of these references, the Examiner is respectfully requested to call the undersigned for the same.

The Information Disclosure Statement submitted herewith is being filed before the mailing date of a first official action on the merits. Therefore, no fee is required for the consideration of the accompanying Information Disclosure Statement. However, if any fee is due, the Commissioner is hereby authorized to charge payment of any such fees to Deposit Account No. 19-2555.

Respectfully submitted,  
DANIEL SCHREIBER AND DAVID  
GUEDALIAH
